## THE INSIDE WAVES (SCHOOL NEWSLETTER)

## PRINCIPAL MESSAGE

Dear Parents, friends and well-wishers,

It is rightly said that "The Journey of thousand miles begins with a single step".

Second term of the session 2018-2019 has now come to an end. When we look back, it gives us immense pleasure to see our blooming buds growing, learning and imbibing new values of life in the friendly and cheerful atmosphere of R K Sarda Vidya Ashram.

I would like to thank our parents for their constant support and feedback for the growth of the school.

R K Sarda Vidya Ashram has become synonymous with academic excellence, a benchmark to measure co-curricular excellence and a centre which creates responsible citizens.

The progress of any institution depends on a committed faculty, supportive administrative staff, a large pool of resources, responsive students and cooperative parents. We are indeed very lucky to have all these elements.

We at RKSVA, understand the needs and requirements of 21st century learning, so that the teachers play the role of only a facilitator. We have been trying to improve the classroom experience rapidly. We are working towards redesigning the outdated colonial school system. I believe that a great school must have few rules through which our children learn that freedom comes with responsibilities. With the new session round the corner, we would bring into our school many new age activities in a comfortable and connected cultural environment where children will learn STEAM- Science, Technology, English, Arts and Mathematics, Fine Arts, Performing Arts, Cultures of the world.

We want them curious, amazed and adventurous.

We look forward the new session with eagerness.

With Warm Regards,  
Amarkant Mishra  
Principal, RKSVA
